The Place of Anglicanism in Australia

Church, Society and Nation

Brian Fletcher

In this revisionist history, Emeritus Professor Brian H Fletcher writes the place of Anglicanism in 20th century Australia into the record book. He contends that the Anglican Church in Australia remained externally united as a major creative force in shaping the nation after Federation, while examining the causes of its internal diversity and division.

Drawing on extensive primary and secondary sources, Fletcher fills an important gap in our knowledge of both Australia and the particular brand of Anglicanism which developed here.

A History of Icon Painting

A major new work and one of the first published in English by Russian scholars in the post Communist era. Innovative by virtue of its completeness and encyclopedic coverage, this fundamental work covers the history of icon painting from the beginning of Christianity until the present. Sumptuously illustrated with 500+ full colour illustrations, it offers an integral picture of the artistic, cultural, aesthetic and spiritual values which icons have reflected for many nations in different periods of history. The contributors are all specialists and scholars working in museums and institutions of higher learning in contemporary Russia. Their writings are both spiritual and scholarly.

The IVP Dictionary of the New Testament

Edited by Daniel G. Reid

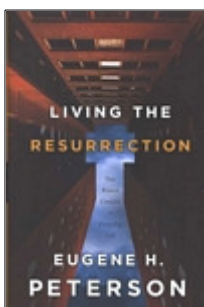

The IVP *Dictionary of the New Testament* offers a selection of key articles from four award-winning IVP New Testament dictionaries:

- *Dictionary of Jesus and the Gospels*
- *Dictionary of Paul and His Letters*
- *Dictionary of the Later New Testament & Its Developments*
- *Dictionary of New Testament Background*

Made with students primarily in mind, this one-volume dictionary edited by Daniel G. Reid offers the most important articles in unabridged form from the four New Testament dictionaries. More than 200 articles are included, covering New Testament books, theological topics, historical events, background topics and methods of study. Also featured are maps, charts and tables, a glossary of terms, essential bibliographies, subject and Scripture indexes, and cross-references to the full-sized New Testament dictionaries.

Here is a versatile, convenient and focused text that can both supplement other New Testament introductions and stand alone as a resource on the New Testament and its interpretation.

1146 pages, plus glossary and indexes.

Living the Resurrection The Risen Christ in Everyday Life

Eugene H. Peterson

If you celebrate Christ's resurrection only one day of the year, you're missing something big.

After the resurrection of Jesus, nothing is the same. That truth can become personal for you through the pages of this latest work by Eugene Peterson, beloved pastor, scholar, and translator of *The Message*. *Living The Resurrection* takes you back to Jesus' time so you can experience the resurrection through the eyes of the biblical witnesses. You'll be a participant in this story, so its meaning and wonder can enliven your soul as never before. Christ's friends were utterly transformed by his resurrection. Their friendship, their work, and even their meals together took on a new meaning and purpose.

The same can happen to us today. When the resurrection becomes the core reality of our spiritual formation, our dimmed eyes and dull souls are lifted to a place of continual renewal. Join Eugene Peterson on this pursuit of a more profound spiritual formation, founded on the wonder of Christ's resurrection. You'll discover what life is like when every day is resurrection day.

The Rabbi's Heartbeat

Brennan Manning

Brennan Manning brings us from a lukewarm, distant faith to being close enough to lean against the breast of Jesus - the Great Rabbi - and listen to His heartbeat. Adapted from Brennan's best seller *Abba's Child*, this moving devotional is a daily reminder to soak in our Father's relentless love. As Abba's children, we need only to define ourselves through His Son just as the apostle John did: as one beloved by God.

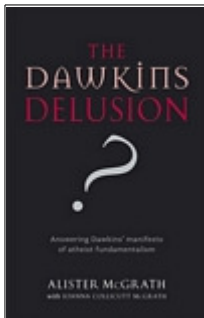

127 pages. Includes a single track CD of Michael Card's *Rabbi's Heart*.
